Hello,

I am writing to say that I am firmly opposed to the Lewis Road subdivision.

I believe it is a crime to build a subdivision with a golf course and other amenities over our aquifer and disturb the pristine Pine Barrens. Discovery Land Company has tried all too many methods to build their subdivision as evidenced by the Hills of Southampton subdivision application which was denied.

The people fo East Quogue have spoken--numerous times--against this project. A few out-of-towners or people with a vested business interest in this terrible application should not take precedence over East Quogue residents.

Please do the right thing and deny the Lewis Road application once and for all.

Thank you!
