

**Unofficial compilation of references to “guidelines”
in the NY Environmental Conservation Law Article 57,
the Long Island Pine Barrens Maritime Reserve Act**

§ 57-0115. Comprehensive management plan. *(Note: this section refers to the Maritime Reserve Council and Plan, not the Pine Barrens Plan. Boldface added for emphasis.)*

...

1. The council shall, after holding public hearings, prepare and adopt a comprehensive management plan for the Long Island Pine Barrens maritime reserve, which the state and local governments may adopt. Such plan shall include, but not be limited to:

...

e. management **guidelines** for the preservation, recreational and educational use of resources of the Long Island Pine Barrens maritime reserve;

f. management **guidelines** for protecting and supporting indigenous economic activities like agriculture, fishing, recreation and tourism;

...

§ 57-0121. Central Pine Barrens comprehensive land use plan; interim regulations.

...

6. The land use plan shall provide for, address and include but not be limited to the following:

...

(k) A program for state, county and local governmental implementation of the comprehensive land use plan and the various elements thereof in a manner that will insure the continued, uniform, and consistent protection of the Pine Barrens ecosystem and development objectives including:

...

(ii) **guidelines** and standards for review of projects of regional significance which because of scale of intensity of use or location are likely to impede implementation of the land use plan; and

(iii) **guidelines** for consistency with the land use plan by state, county and local agencies.
