Re: Application of Lewis Road Planned Residential Development Subdivision

Dear Commission Members:

Due to the continuing coronavirus restrictions as to the conduct of public meetings and public hearings, we understand that there is still uncertainty as to Commission continuing the public hearing on the above captioned application on June 17, 2020. We also acknowledge the Commission's request for further time to review our submission made on June 3, 2020, which is in response to the previous comments of the Staff and general public. Accordingly, please let this letter serve as the Applicant's consent to the Commission's request to further adjourn the proceedings in connection with the pending application. The continuance of the public hearing shall be adjourned for all purposes to your meeting on July 15, 2020 and the adjournment of the Commission's action deadline on the application up to and including your meeting on August 19, 2020.

Thank you for continuing patience and cooperation in this matter.

Very truly yours,
O'SHEA, MARCINCUK & BRUYN, LLP
