Re: Application of Lewis Road Planned Residential Development Subdivision

Dear Commission Members:

As you are aware, the public hearing on the above captioned application commenced on February 19, 2020. At the hearing, the Commission's Staff Report was distributed and several public comments were received. The Applicant requested that the hearing remain open to allow an opportunity to review and address the comments raised by the Staff Report and the public. The Commission directed that the Applicant provide a response to the Staff Report and public comments to the Commission by close of business on this date and adjourned the public hearing for all purposes to the Commission's meeting on March 18, 2020.

The Applicant has been diligently addressing the comments and needs additional time to prepare a response. Accordingly, it is requested that the time to submit a response to the Staff Report and public comments be extended up to the close of business on Wednesday, March 25, 2020. The applicant further requests that the continuance of the public hearing on March 18, 2020 be adjourned for all purposes to your meeting on April 15, 2020. Lastly, the Applicant consents to an extension of the Commission's action deadline on the application up to and including your meeting on May 20, 2020.

Thank you for continuing patience and cooperation in this matter.

Very truly yours,
O'SHEA, MARCINCUK & BRUYN, LLP
