

**COMPATIBLE GROWTH AREA APPLICATION PACKET**  
**(Petitioned for Review - Updated 07/19/24)**

Dear Applicant:

We are enclosing the necessary forms for requesting review of a proposed development within the Compatible Growth Area that has been **Petitioned for Review** pursuant to ECL Article 57-0123(2). Enclosed please find the following items:

1. Transmittal Letter (2 pages)
2. General Project Data Sheet (2 pages)
3. Standards and Guidelines for Land Use (3 pages)

Please note that forms must be completely filled out and all supporting documentation to show that your project meets the standards and guidelines must be attached. The completed application with the necessary supporting documentation will constitute your development application. Development projects proposed for the Compatible Growth Area of the Central Pine Barrens which have been the subject of a petition must meet all of the standards and guidelines as set forth in Volume 1, Chapter 5 of the Central Pine Barrens Comprehensive Land Use Plan.

Additionally, the Transmittal Letter lists several specific items which must be submitted:

- A copy of any and all approvals that have been received to date
- Three copies of the final approved map or site plan including any required conditions or revisions.
- Copies of other maps or data that document and support the information presented in the attached forms.
- A Full Environmental Assessment Form or final State Environmental Quality Review Act findings statement and supporting documentation (Environmental Assessment Form, Draft and Final Environmental Impact Statements)
- A copy of the Suffolk County Planning Commission determination (if applicable) regarding this application.
- Completed and Notarized Owner's Affidavit (form attached) - only required if the applicant does not own the property.

As soon as your application has been received by the Commission and found to be complete, a hearing will be scheduled for your project. If you require further assistance in filling out your application, please feel free to contact Commission staff at 631-288-1079.

**COMPATIBLE GROWTH AREA APPLICATION  
TRANSMITTAL LETTER**

Dear Commissioners:

Please accept this package as an application for development review of the project known as

Date Applicant's Name

This project is located within the Compatible Growth Area of the Central Pine Barrens as described in Section 57-0107 of the New York State Environmental Conservation Law. I realize that this proposal must meet the Standards and Guidelines for Land Use as per the Central Pine Barrens Comprehensive Land Use Plan including the Final Generic Environmental Impact Statement filed June 12, 1995.

I believe that this project meets all of the standards and guidelines, and appropriate supporting documentation is included in this application. Please find below an explanation, and specific page references to the accompanying support materials, showing consistency with the standards and guidelines. I have also enclosed the required additional materials as noted below. I understand that it is important that I read the enclosed standards and guidelines thoroughly and that my application may be considered incomplete if an explanation is not provided for each of the items described therein and listed below.

In addition to the information noted above, the following requisite material has also been included in this packet: *(please check those items that are included)*
