COURSE DESCRIPTIONS

S-130/190 – 5 Day Firefighting Training/Intro to Wildland Fire Behavior <p>Introductory course designed to train entry-level firefighters, Fire-fighter Type 2 (FFT2). Course covers basic incident management organization, firefighting techniques, suppression equipment, safety, strategy/tactics along with fire behavior. Field exercises will be performed for valuable hands-on training. Includes L-180.</p> <p><i>*No Charge to Nassau/Suffolk Volunteer Firefighters</i></p> <p>Prerequisite(s): None</p>	S-130/190 Field Days Only Basic Firefighting & Wildfire Behavior (Field Day Only) <p>Course is for individuals who have taken S-130/190 online. Students must submit proof upon arrival to the academy that they have completed the online portion of this class. Click on the following link to access S-130 and S-190 online courses: https://onlinetraining.nwcg.gov/</p> <p><i>*No Charge to Nassau/Suffolk Volunteer Firefighters</i></p> <p>Prerequisite(s): S-130/190 Online course *Flat Fee Class</p>
S-131 Firefighter Type 1 <p>Course is designed to meet the needs of an Advanced Firefighter Type 1 (FFT1). Course is interactive and contains several tactical decision games designed to facilitate learning. Topics include: fireline reference materials, communications and tactical decision making.</p> <p>Prerequisite(s): Qualified as FFT2</p>	S-211 Portable Pumps and Water Usage <p>Course gives students practical knowledge and application skills in portable pump operations. Field exercises will train students in the setup and operation of a portable pump along with foam applications. Presentation to include pros and cons of retardant use.</p> <p>Prerequisite(s): None</p>
S-212 Wildfire Powersaws & Storm Debris Removal <p>Course designed to meet the needs of wildland firefighters, while recognizing DPW and DOT personnel frequently assisting with storm debris removal activities. Course is designed to train students in the proper use of chainsaws and techniques necessary to prepare for their functional role as a chainsaw operator on a wildland fire incident. Course includes a one-day session on storm debris removal. Focus of the storm debris session will be on tension and reactive forces in debris piles, tree felling techniques, limbing and bucking, spring poles and a discussion regarding interactions with utility crews and other public service issues.</p> <p>Prerequisite(s): Qualified as FFT2 *Flat Fee Class</p>	S-215 Fire Operations in the Wildland/ Urban Interface <p>Course is designed to assist initial attack incident commanders and company officers in confronting wildland fires that threaten life, property and improvements. Course is also suitable for volunteer firefighters who have leadership roles in fire companies that respond to wildland fires. Local active Nassau and Suffolk County, NY volunteer firefighters are eligible to take this course for free.</p> <p><i>*No Charge to Nassau/Suffolk Volunteer Firefighters</i></p> <p>Prerequisite(s): FFT1 qualified. Must be knowledgeable of agency's firefighting policy relating to wildland/urban interface fires.</p>
S-219 Firing Operations <p>Identify the roles/responsibilities of the Firing Boss (FIRB) for planning, execution, safety, coordination and evaluation of ignition operations on a wildland or prescribed fire. Describe/demonstrate the applications of various firing devices. Students will prepare a firing plan and briefing that discusses fire behavior, firing techniques, resource requirements, coordination, safety and risk factors to meet specific objectives.</p> <p>Class held at Cape Cod National Seashore – Wellfleet, MA</p> <p>Prerequisite(s): Qualified as a FFT2</p>	S-290 Intermediate Wildland Fire Behavior <p>Course provides students with the knowledge of wildland fuels and fire behavior to make safe and effective fire management decisions on prescribed and wildland fires.</p> <p>Prerequisite(s): S-130/190</p>

COURSE DESCRIPTIONS

S-330	S-339
Task Force/Strike Team Leader	Division/Group Supervisor
<p>This course is designed to meet the training requirements outlined in NIMS: Wildland Fire Qualification System Guide, PMS 310-1 and the position task books developed for the positions of Task Force Leader and Strike Team Leader. In addition:</p> <p>Demonstrate the ability to apply the Risk Management Process found in the <i>Incident Response Pocket Guide</i> (IRPG), PMS 461 to various incidents. Identify and describe the responsibilities of a Task Force/Strike Team Leader. Demonstrate the ability to apply appropriate tactics with assigned resources organized into strike teams or task forces.</p>	<p>This course prepares students to perform in the role of Division/Group Supervisor (DIVS). It provides instruction in support of the specific tasks of the Division/Group Supervisor, but will not instruct students in general management/supervision or in the Incident Command System (ICS), both of which the student should learn through prerequisite work. Topics include division or group management, organizational interaction, division operations, all-hazard operations, and tactical decision games (optional). The pre-course work consists of a professional reading assignment that can take from four to eight hours to complete.</p>
Prereq: Qualified as any single resource boss & completion of pre-work	Prerequisite(s): TFLD or ICT3/ICT4
L-280	ATV
Fellowship to Leadership	All-Terrain Vehicle and Driving Operations
<p>Course is designed as a self-assessment opportunity for individuals preparing to step into a leadership role. Course combines one day of classroom instruction followed by a second day in the field with small teams working through a series of problem-solving events. Topics include leadership values and principles, transition challenges for new leaders, situational leadership, team cohesion factors, ethical decision making, and after-action review techniques. Some course aspects involve physical tasks.</p> <p>Course is also suitable for any individual who plans on becoming a supervisor, or for newly appointed supervisors seeking to develop their leadership skills.</p>	<p>Course is given by the All-Terrain Vehicle Safety Institute</p> <p>Course is a hands-on ATV course that involves field practice such as starting and stopping (both gradual and quick), negotiating hills, emergency stopping and swerving and riding over obstacles. Course covers protective gear, environmental concerns and local laws. Course discusses the specific safety issues associated with using ATV in wildland firefighting situation.</p> <p>Course will satisfy the requirements for ATV skills on wildland firefighter's Red Cards.</p>
Prerequisite(s): Completion of pre-course work & L-180.	Prerequisite(s): None <i>*Flat Fee Class</i>
BTT	UTV
Brush Truck Training	Off-Highway Vehicle Basic Driver Course
<p>AWARENESS and OPERATIONS - <u>Awareness</u> portion of this class is for <i>non-driving</i> members. Departments may register non-driving personnel for the Awareness portion of class. Awareness certificates will be issued to students attending just the classroom portion*</p> <p><u>Operations</u> portion is an extension of awareness which will include driving portion of class. Drivers who attend all three days will receive both Awareness & Operations certificates. Class covers: Fire behavior, Long Island hazards; tactics including size up & initial attack operations; crew capabilities and responsibility; resource deployment; pumping operations; safe vehicle operations; risk assessment & driving and operating an off-road engine on a simulated fire.</p>	<p>Course is designed for off-highway vehicle users involved in wildland firefighting and emergency response scenarios. This course is conducted by certified driver coaches. Course is a partial-day program that has approximately three hours of riding time that includes between-exercise discussions. Course includes six closed range exercises and up to seven optional open trail experiences, depending on terrain that is available.</p> <p>Course is given by the Recreational Off-Highway Vehicle Association (ROHVA) and will satisfy the requirements for Utility Task Vehicle (UTV) skills on wildland firefighter's Red Cards.</p> <p>*Students Must bring their own OHV to the class.</p>
<p>Class is not limited to drivers only. Firefighters operating on Wildland & Brush Fires are encouraged to take advantage of this awareness & operations training.</p> <p>Driving courses are open to Type 6 and full size trucks.</p> <p><i>*Flat Fee Class</i></p>	<p>Prerequisite: ROHVA E-Course: This two-hour safety course helps develop safe driving habits but it is not a "learn to drive" course. E-Course focuses on: Key risk factors associated with ROV operation; Safe driving practices that will reduce risk of injury; the best resources for learning about your particular vehicle.</p> <p><i>*Flat Fee Class</i></p>

GENERAL ACADEMY INFORMATION

REGISTRATION:

Registrations must be received by close of day Monday, May 24, 2021
A confirmation letter will be sent to the email address you provide.

Registrations received after May 24th will be processed as time and class availability allows.
***Federal employees whose agencies face end of the fiscal year spending restrictions may still register.
Invoices will be based on registration date and can be paid in the new federal fiscal year.***

*****Classes that do not reach ten students by May 24th may be canceled.***

COVID-19 PRECAUTIONS

Many precautions have been put in place for the protection and safety of all our students and staff attending the fall Academy:

- Temperature checks will be done for all prior to entering the premises for attendance to the Academy
- Masks will be supplied and worn while indoors and wherever a comfortable social distance cannot be maintained.
- Hand sanitizer will be readily available in all classrooms, IMT sections and various areas of the facility.
- No more than two – three students per table in classroom depending on class size.
- Google Docs will be utilized to minimize the amount of paper handling reducing person to person contact.

FINANCIAL:

**** If you are not registering online - For your registration to be processed, it must be accompanied by a check, credit card number or agency voucher and must be completely filled out. Visa & MasterCard accepted.**

Ray Corwin Memorial Scholarship: S-130/190 Basic Firefighting & Wildfire Behavior (five day and field day courses) and S-215 Fire Operations in the Wildland/Urban Interface are **FREE** to Suffolk and Nassau County, New York volunteer firefighters.

Refund Policy: All cancellations must be made in writing to NYWIMA@pb.state.ny.us and must be received no later than May 24, 2021. Full refunds will be given for all cancellations made by May 24th. After May 24th, a fee of \$80 will be charged for each class cancelled. If you are taking a one day only class, the cancellation fee is \$80 for cancellations after May 24th. Substitutions are possible. The administrative fee is non-refundable and refunds will not be issued for "No Shows."
