Public Hearing in the above-captioned matter, held the 22nd day of September, 1999, at 4:10 p.m., at Brookhaven Town Offices Building, held at the above-mentioned time and place before Donna L. Spratt, a Notary Public of the State of New York.

Excerpt:

MR. PROIOS: Does anyone have any questions?

MR. COWEN: I think one of the criteria that we use in reviewing these hardship -- wrong hearing -- reviewing these petitions for review of a Pine Barrens credit allocation has been the submission of a yield, map and this appears to me to be a reasonable yield map showing 14 lots. I'm prepared to offer a resolution approving this.

MS. WIPLUSH: I'd second that.

MR. PROIOS: Any other questions or comments from members of the Commission?

Are there any members of the audience that wish to address the Commission regarding this application for or against? If not, I'll bring the public hearing to a close.

At this time I will ask whether the Commission wishes to offer a motion.

MR. COWEN: I was out of order there.

MS. WIPLUSH: I offer a resolution that the Commission approve the granting of the two additional Pine Barrens credits for the applicant.

MR. CANNUSCIO: I second that.

MR. PRIOIS: Any further discussion? All those in favor say, aye.

MR. DRAGOTTA: Yes.

MR. COWEN: Yes.

MR. PROIOS: Yes.

Anyone opposed? Motion carries.

Thank you.
