1 MR. PROIOS: We're ready to  
2 begin. First I would like to call this  
3 public hearing to order.

4 My name is George Proios, Acting  
5 Chairman of the Commission, acting on  
6 behalf of Robert Gaffney, the Suffolk  
7 County Executive. The first matter  
8 before us is -- sorry. I should have  
9 the other members of the Commission  
10 introduce themselves and who they  
11 represent.

12 MS. COMPITELLO: Jean Compitello,  
13 representing John J. LaValle, Town of  
14 Brookhaven.

15 MS. PRUSINOWSKI: Brenda  
16 Prusinowski, representing Brookhaven  
17 Town Supervisor John J. LaValle.

18 MR. MURPHREE: Jeff Murphree,

20 Supervisor, Patrick Heaney.

21 MR. MILAZZO: John Milazzo, staff

25 MR. SCULLY: Peter Scully on

1           behalf of the Governor of the State of  
2           New York.

3                   MR. PROIOS:   The first matter  
4           before us is a Letter of Interpretation  
5           appeal by Frank Buquicchio, 20 Arbour  
6           Street, West Islip, New York.   The  
7           applicant, however, has asked for an  
8           adjournment due to illness and,  
9           therefore, I'm going to adjourn it to  
10          our next meeting which is January 21st.

11                   It has been requested or suggested  
12          that we need to pass a resolution to  
13          accept a request by the applicant to  
14          extend the hearing to January 21st.  
15          Would someone like to make that motion?

16                   MS. COMPITELLO:   Motion made.

17                   MR. PROIOS:   Motion by Ms.  
18          Compitello.

19                   MR. MURPHREE:   Seconded.

20                   MR. PROIOS:   Seconded by Mr.  
21          Murphree.   Motion carried.
